Dear Sir

On behalf of St. Xavier's Maha Vidyalaya, we would thank you for your commitment to helping the Renovation Project of the Main Hall in our school, through donating funds. Your contribution played an integral part in the success of the project.

Further more we would like to extend a special thank to Mr. A. Vincent Pillai, the Administrative Director of SL.Zom Foundation for the assistance rendered in obtaining this donation.

The renovated Main Hall was ceremonially declared open on the 20<sup>th</sup> day of March 2009, Under the spiritual guidance of Rev. Fr. Priya Jayamanna, The officials who stressed demolishing the building were amazed seeing it now.

It is a delight to see the performance of the students on the stage. The large spacey and airy auditorium is well enough for all the students to be seated comfortably. We have no more conflicts in arranging religious activities, associations, seminars and conferences related to teachers as well as students because of the Main Hall.

Your generosity has opened doors for our students to develop their skills & there by improve their talents to be in par with the current competition.

Thank you again for your grate support.

Respectfully

Principal
